- Air conduction screener
- Easy one hand push button operation
- Traditional binaural TDH-39, headset included
- Fits in the palm of your hand
- Carrying case included
- Exceptionally lightweight, only 1 pound

Catalog # Price
714 \$684.00

Maico MA 25 Air Conduction Audiometer

- Air conduction
- 9V battery operated, optional AC adapter
- Continuous, pulse, warble tones
- Exceptionally lightweight, only 3.6 lb/1.6 kg
- Carrying case included

Catalog # Price
569 \$859.00

Maico MA 27 Air Conduction Audiometer

- Air conduction
- 9V battery operated, optional AC adapter
- Continuous, pulse, warble tones
- Exceptionally lightweight, only 3.6 lb/1.6 kg
- Carrying case included

Catalog # Price
518A \$958.00

Audio Electronics Inc. is proud to be the leading provider of sales and services for medical equipment for the care of the ear in the state of Texas. Here are a few facts about Audio Electronics:

- Founded in 1971 with 3 offices: DFW, Houston, San Antonio
- >100 years technical audiology experience
- 7 NASED certified technicians
- Office staff and sales professionals located in each office

We perform services on the equipment we sell, including annual calibration services. The Annual Calibration and Certification and one year service warranty includes the calibration of audiometers and tympanometers according to ANSI standards as required by the state of Texas. We will perform the below tests and document the results:

- Visual electrical safety assessment
- Physical inspection of ear cushions, cords, earphone screws, and moving parts on instrument
- Accuracy of sound frequency at all measurable frequencies for each earphone, written as the deviation from the standard
- Accuracy of sound levels (dB) at all measurable frequencies for each earphone, written as the deviation from the standard
- Accuracy of rise and fall times (msec)
- Attenuator linearity from 30-90 dB at 1000 Hz
- Signal leakage from one earphone to the other earphone (and vice-versa)
- Distortion measurements
- Signal to noise ratio
- One year calibration warranty
- One year service warranty for labor only. All parts will be billed accordingly.
- Audio Electronics prefers to perform calibrations at the customer's site and never remove the equipment from the customer's premises.

Vision Screeners

Titmus V2 School Model

- Standardized test illumination
- Tests visual acuity, binocularity, color and depth perception, muscle balance, astigmatism, and peripheral vision
- Ergonomic design for patient comfort
- Lightweight, foldable design
- Foldable handle for ease of transport
- 2 year warranty for defects in materials and workmanship
- Meets AAMI ES 60601-1 standards

Catalog #
19121

Price
\$2595.00

Titmus V4 School Model

- Membrane panel for operation
- Standardized test illumination
- Tests visual acuity, binocularity, color and depth perception, muscle balance, astigmatism, and peripheral vision
- Ergonomic design for patient comfort
- Lightweight, foldable design
- Foldable handle for ease of transport
- 2 year warranty for defects in materials and workmanship
- Meets AAMI ES 60601-1 standards

Race car AutoTymp or AutoTymp/Audiometer Combination

- Visual "Race Car" entertains the child using multimedia. Holds the child's attention during the test
- Perform a tympanogram with ipsilateral reflex
- Quick, quiet internal printer
- 712 model: tympanometer
- 713 model: tympanometer/audiometer combination

Catalog # Price
712 \$2982.00
713 \$3394.00

Tympanometers

GSI 39 Auto Tym

- Tympanometry
- Acoustic reflex measurements
- Audiometry
- 5 Versions available
- Fast and accurate detection of middle ear pathologies

Catalog # Price
1739-9710-00 \$3140

Maico Otowave

- Fast, accurate middle ear measurements
- Ergonomic shape
- Totally portable
- Intuitive use
- Large graphics display
- Programmable reflex test
- Optional portable printer and PC interface

Catalog # Price
715 \$2994.00

Interacoustics MTP10 Middle Ear Analyzer

- -600 to +300 daPa
- Ipsilateral reflexes
- Screening audiometry
- 20 Patient memory
- Handheld device
- Printer base and charger

Catalog # Price
040101 \$3295.00
